

Dear Detroit Fish House Guests,

In response to the current health concerns of the spread of COVID-19, limited reservations and seating will be available due to social distancing.

We take the health and safety of our guests and team members seriously and as always, are committed to providing a safe and clean dining experience.

Moving forward, we have removed half of our tables and we are sanitizing all salt and pepper shakers, candle holders, drink menus, after each seating.

For our carry-out orders, we will offer curbside pickup, and working to provide delivery service as well.

Thank you for your continued support and as always, we look forward to seeing you soon.

The Detroit Fish House greatly appreciates your patience and understanding at this time.

Thank you,

Our Entire Team
